

Do you like native plants?

Do you enjoy hiking outside?

Do you want to learn how to identify and press plants?

Then take **Wildflowers and Trees of Ohio** this May with Dr. Denis Conover!

Course number: **BIOL 1009C**

Runs from May 6 - May 26.

Sign up today to ensure your spot! Locations such as Burnet Woods, Spring Grove Cemetery and Arboretum, and UC Center for Field Studies at Miami Whitewater Forest will be visited. **This course counts for 3 credits toward your Natural Science requirement.**
